PASSENGER CAR TIRES

PT721 VELOX SPORT

Its hi-tech structure and profile provides ultimate performance and grip during high speed drive. Special pattern design decreases floatation and noise ; and increases balance. PT721 offers optimum performance on wet and dry road conditions. Tyre construction and profile enable very good cornering performance at high speeds. Computer simulated pattern, and special tread compound reduce the risk of aquaplaning, minimize road / pattern noise, and improve balance.

MAXIMUM PERFORMANCE WITH HIGH ENGINEERING TECHNOLOGY
